1.	The Company has not prepared the financial statements on liquidation basis, though it ceases to be a going concern as winding up recommendation is accepted by Hon'ble High court, however, the Official Liquidator is yet to take charge (Refer Note No.30.11). We are unable to determine consequential adjustments to items of financial statements.	It is true that the Company is in the process of being wound up statutorily under the orders and directions of the Hon'ble High Court of Madras and the Official Liquidator was asked to take charge of the Company. However, Official Liquidator had not taken charge of the Company and the winding up proceedings now stands transferred to National Company Law Tribunal (NCLT) vide Order of the Hon'ble High Court dated 18/05/2020 in the Company Application CA 429/2019 filed by M/s Canara Bank for Corporate Insolvency Resolution Process. The case has been taken on the files of the NCLT Chennai Bench as TCP/01/2021. The first hearing of the Case had taken place on 21 <sup>st</sup> April 2021 and stands adjourned. Current-year finance costs indicated under note 30.30, not provided for, since the Company has been recommended for closure, all the employees have been relieved on VRS and only takeover of the assets and liabilities of the Company by the Official Liquidator / appropriate authorities as to be decided by the NCLT is awaited
	Material Uncertainty related to Going Concern	
	We draw attention to Note No. 3 in the financial statements which indicates that the company has accumulated losses and its net worth has been fully eroded, the Company has incurred a net loss during the current and previous year(s) and, the Company's current liabilities exceeded its current assets as at the balance sheet date. The company is in the process of being wound up statutorily under	As explained earlier, the Company is in the process of being wound up statutorily under the orders and directions of the Hon'ble High Court of Madras and the Official Liquidator was asked to take charge of the Company. The case has been taken on the files of the NCLT Chennai Bench as TCP/01/2021. The first hearing of the Case had taken place on 21 <sup>st</sup> April 2021 and stands adjourned.
	Earlier, during February 2014, the Cabinet Committee on Economic Affairs (CCEA) of the Govt. of India had decided to offer VRS at 2007 notional pay scale to the remaining employees on the rolls of the company and to take necessary steps for the closure of the Company.
Adverse Opinion	As a prelude to closure, all the employees of the Company stand relieved under VRS with effect from 30.06.2016 or earlier, in different batches, and as such, there are no employees on the rolls of the Company. Takeover of the assets and liabilities of the Company by the Official Liquidator / appropriate authorities as to be decided by the NCLT is awaited.
In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matter discussed in the Basis for Adverse Opinion section of our report, the financial statements do not give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31 <sup>st</sup> 2021, of its loss, and the cash flows for the year then ended.	Under these circumstances, the Financial Statements of the Company continued to be prepared on Going concern basis.

Comments of The Comptroller And Auditor General Of India Under Section 143 (6)(B) of The Companies Act, 2013 on the accounts of Hindustan Photo Films Mfg. Co. Ltd for the year ended 31 March 2021 and Company's Reply

Comments of C&AG	Company's Reply
A. Comments on Profitability	
A. Comments on Profitability Comment No.1 a)The Company hired M/s Blue Star Limited to install cooling system for its Polyester X-ray Project during 1990 and booked an amount of ₹227.37 lakhs as Fixed Assets during 1997-98. Subsequently, High Court of Madras directed (17 June 2006) the Company to pay M/s Blue Star Limited the award amount of ₹ 543.15 lakh. Out of which, ₹ 156.76 lakh ( increase/ differential in excise duty on stainless steel sheets, final bill amount, fabrication cost, retention money) was of capital nature and requires to be added to Fixed Assets and depreciated over the years. However, the Company treated the same as Contingent Liability (₹ 543.15 Lakh). Non-accounting of the liability has resulted in understatement of Fixed Assets (net) by ₹ 7.84 lakh (₹ 156.76 lakh - 148.92 lakh), accumulated depreciation by ₹148.92 lakh, Current Liabilities by ₹543.15 lakh ( including provision for interest by ₹ 386.39 lakh) and consequent understatement of loss by ₹ 535.31 lakh.	It is true that the net amount payable by the Company to M/s Blue Star Limited was ₹ 543.15 lakhs as on 31.03.2007 and the same was treated as contingent liability. This was due to the fact that the appeal against the order by the Company to the Madras High court and Supreme court were dismissed and no further appeal/ review petition had been filed. Eventhough the judgment has been made, M/s Blue star has not raised any formal claim based on the judgment. Hence the Company treated the same as contingent liability continues to keep the same in the Notes on Financial statement No. 30.1.(iii) and have not brought it under the head of liabilities. The Company has been following the same status-quo from 2007 onwards and hence no changes have been made this year too. Further at the 313 <sup>th</sup> Board meeting, approval was accorded for exclusion of Depreciation and Finance cost in Accounting procedure from 2018-19 onwards, in view of the non-operation and liquidation process of the Company, and relieving of all employees on VRS. The inclusion of depreciation and finance cost was no longer considered logical. However, as per the observations of the audit, suitable entries will be made in future if required
b) Contingent Liability of ₹ 395.04 lakh as on 31 March 2021 has also not been disclosed on account of probable interest outgo for 14 years (2007-08 to 2020-21)	The Company is in the final stages of being handed over to the Official Liquidator/ appropriate authorities as to be decided by the NCLT and hence the Company is not in a position to make any decision on the claim . Further at the 313 <sup>th</sup> Board meeting, approval was accorded for exclusion of Depreciation and Finance cost in Accounting procedure from 2018-19 onwards, in view of the non-operation and liquidation process of the Company, and relieving of all employees on VRS. The inclusion of depreciation and finance cost was no longer considered logical.

	Hence the depreciation and accumulated Finance cost was excluded from the Books of Accounts from 2018-19 onwards.
Comment No.2 As per Accounting Policy (Sl. No.6.d.ii) provision for non-moving materials ( obsolete / surplus items, Stores and Spare parts and Raw Materials )have been made for more than five years old. As Business operations of the Company were terminated during 2013, hence all stores , Spares and Raw Materials are non-moving for eight years as on 31 March 2021. Therefore the full amount of the same should have been provided in the accounts. However the company has made provision for obsolete / surplus to an extent of ₹ 668.46 lakh instead of ₹ 1271.96 lakh. Non compliance to the Accounting Policy has resulted in overstatement of inventories and understatement of loss for the year by ₹ 603.50 lakh	As stated, the operations of the company had come to a stand still form 2013 onwards and since then there has been no movement of materials , machineries etc. Further , during February 2014, the Cabinet Committee of Economic Affairs had conveyed its decision to offer Voluntary Retirement Scheme at 2007 Notional pay scale to all the remaining employees of the Company, and to take further action for closure of the Company . All the employees of the Company have been relieved on VRS with effect from 30.06.2016 or earlier as per the said VR scheme in different phases. There are no employees on the rolls of the Company was accepted by the Hon'ble High court on 29.8.2016 and the Company was in the process of being wound up statutorily under the orders and directions of the Hon'ble High Court of Madras and liquidation was expected any time. In view of the uncertainty involved due to impending closure, the entries of previous year is maintained. However, as per the observations of the audit, suitable entries will be made in the subsequent years if required .

# **Adverse Opinion**

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matter discussed in the Basis for Adverse Opinion section of our report, the financial statements do not give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31<sup>st</sup> 2021, of its loss, and the cash flows for the year then ended.

#### **Basis for Adverse Opinion**

- 1. The company has not prepared the financial statements on liquidation basis, though it ceases to be a going concern as winding up recommendation is accepted by Hon'ble high court, however, the Official Liquidator is yet to take charge (Ref Note no.30.11).We are unable to determine consequential adjustments to items of financial statements.
- 2. The Company has not prepared Ind AS Financial Statement as required under Section 133 of the Act, read with relevant rules issued there under. Further the financial Statement does not comply with the requirement of Companies Act 2013 -Division II - Schedule III and Framework for preparation and presentation of Financial Statements in accordance with Indian Accounting Standard with regard to classification/sub classification of line items/sub line items and other requisite disclosure (also notes providing additional information) including the following:
  - i. Long term borrowings consisting of loans and debentures from various financial institutions are classified as non Current liabilities. Since the Company has breached the terms of agreement regarding repayment of loan and interest it does not have unconditional right to defer the settlement and consequently the same should be classified as Current Liability. (Refer Note no. 5)
  - ii. Non disclosure of Nature of security, repayment terms and details of default in repayment of principal and interest.
- 3.Regarding Property, Plant and Equipment, Capital-Working-Progress (CWIP) and Depreciation:
  - a. The Company has not carried out assessment of useful life and hence no impairment has been charged to profit & Loss. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained. (Refer Note no.30.27)

- b. The Company has not provided depreciation to the extent of ₹69.08 lakhs for the year (Refer Note no.30.31 also). Moreover for earlier years, depreciation was provided on straight line basis with regards to asset existing as on 31.03.1987 at the rates prescribed in the Income Tax Act 1961 and in respect of assets acquired thereafter at the rates prescribed in the Companies Act, 1956 which is not as per the requirements of the Companies Act 2013 which mandates calculation of depreciation as per useful life of the asset. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained. (Refer Note no.31.4)
- 4. Contingent liabilities for disputed claims against the Company are not determined and disclosed fully. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained. (Refer note no. 30.1)
- 5. The Company has not fully created provision for bad and doubtful debts and for non moving inventory as the Company has closed the operations since 2013 and the receivables & inventory may not realize the amount stated therein. In the absence of relevant information, the impact thereof on the financial statements cannot be ascertained.
- 6. The Company has not created liability for cases which are held unfavourable to the company and where further appeal is not possible or further appeal may not fructify as advised by the solicitors. We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics and provisions of the Companies Act, 2013 that are relevant to our audit of the financial statements in India under the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics and the requirements under the Companies act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

# Material Uncertainty related to Going Concern

We draw attention to Note 3 in the financial statements which indicates that the company has accumulated losses and its net worth has been fully eroded, the Company has incurred a net loss during the current and previous year(s) and, the Company's current liabilities exceeded its current assets as at the balance sheet date.

The company is in the process of being wound up statutorily under the orders & directions of the Hon'ble High Court of Madras (Refer note no 30.11 also)

These events or conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as going concern. Our opinion is not modified in respect of this matter.

#### **Key Audit Matters**

Except for the matter described in the Basis for Adverse Opinion & Material uncertainty related to going concern section, we have determined that there are no key audit matters to communicate in our report.

#### **Responsibilities of Management for the Standalone Financial Statements**

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

#### Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# Annexure "B" To The Independent Auditor's Report Of Even Date On The Financial Statements Of Hindustan Photo Films Mfg Co. Limited

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of HINDUSTAN PHOTO FILMS MFG CO. LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide a reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisation of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Adverse Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2021:

- 1. Deficiencies observed in design of internal controls:
  - a. Deficiency in control over the selection and application of the accounting principles and preparation of financial statements in conformity with the Indian Accounting Standards.
  - b. Internal Audit system not in vogue.
- 2. Failures observed in the operations of internal control:

Failure to comply with requirement of Audit Committee and filing of documents with stock exchange.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting; such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, because of effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has not maintained

adequate & effective internal financial controls over financial reporting as of March 31, 2021, based on, "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2021 financial statements of the Company, and these material weaknesses have affected our opinion on the financial statements of the Company and we have issued an Adverse opinion on the financial statements.

a)The Company hired M/s Blue Star Limited to install cooling system for its Polyester X-ray Project during 1990 and booked an amount of Rs. 227.37 lakhs as Fixed Assets during 1997-98. Subsequently, High Court of Madras directed (17 June 2006) the Company to pay M/s Blue Star Limited the award amount of Rs. 543.15 lakh. Out of which, Rs. 156.76 lakh ( increase/ differential in excise duty on stainless steel sheets, final bill amount, fabrication cost, retention money) was of capital nature and requires to be added to Fixed Assets and depreciated over the years. However, the Company treated the same as Contingent Liability (Rs. 543.15 Lakh). Non-accounting of the liability has resulted in understatement of Fixed Assets (net) by Rs. 7.84 lakh ( Rs. 156.76 lakh-148.92 lakh), accumulated depreciation by Rs. 148.92 lakh, Current Liabilities by Rs. 543.15 lakh ( including provision for interest by Rs. 386.39 lakh) and consequent understatement of loss by Rs. 535.31 lakh.

b) Contingent Liability of Rs. 395.04 lakh as on 31 March 2021 has also not been disclosed on account of probable interest outgo for 14 years (2007-08 to 2020-21)

# **Comment No.2**

As per Accounting Policy (Sl. No.6.d.ii) provision for non-moving materials ( obsolete / surplus items, Stores and Spare parts and Raw Materials have been made for more than five years old. As Business operations of the Company were terminated during 2013, hence all stores , Spares and Raw Materials are non-moving for eight years as on 31 March 2021. Therefore the full amount of the same should have been provided in the accounts. However the company has made provision for obsolete / surplus to an extent of Rs. 668.46 lakh instead of Rs. 1271.96 lakh. Non compliance to the Accounting Policy has resulted in overstatement of inventories and understatement of loss for the year by Rs. 603.50 lakh
