

GOVERNMENT OF INDIA  
MINISTRY OF HEAVY INDUSTRIES  
**RAJYA SABHA**  
**UNSTARRED QUESTION NO. 1515**  
ANSWERED ON 01.08.2025

**GUIDELINES FOR ADOPTION OF EVs IN CENTRAL/STATE GOVERNMENTS  
AND PSUs**

**1515. SHRI PARIMAL NATHWANI:**

Will the Minister of HEAVY INDUSTRIES be pleased to state:

- (a) whether Government has issued guidelines for adoption of Electric Vehicles (EVs) in Central/State Governments and PSUs;
- (b) if so, the extent of EV adoption in the last two years; and
- (c) the support extended to promote EV infrastructure through FAME-II scheme?

**ANSWER**

**THE MINISTER OF STATE FOR HEAVY INDUSTRIES  
(SHRI BHUPATHIRAJU SRINIVASA VARMA)**

**(a):** No such guidelines have been issued on a pan-India basis. However, the Ministry of Finance, vide its Office Memorandum dated 1<sup>st</sup> September, 2022, has advised Ministries and Departments to aim at replacing petrol and diesel cars hired by their secretariats and attached offices located in Delhi with electric vehicles. Further, Commission for Air Quality Management in National Capital Region and Adjoining Areas (CAQM) has issued Advisory No. 17 dated 02.05.2025 regarding procurement of clean vehicles by Governments, Public Sector Undertakings and Public Institutions in National Capital Region(NCR). CAQM has also issued series of directions on migration to cleaner mobility for abatement of air pollution in NCR.

**(b):** No such data is maintained centrally.

**(c):** Under FAME-II, Rs. 912.50 crore has been allocated for installation of 9,332 EV public charging stations (EVPCS) out of which 8,885 EVPCS have been installed as on 30.06.2025.
