ANSWER

**THE MINISTER OF STATE FOR HEAVY INDUSTRIES
(SHRI BHUPATHIRAJU SRINIVASA VARMA)**

(a): The year-wise and category-wise details of the subsidy (demand incentive) provided to buyers in form of an upfront reduction in purchase price of the electric vehicle, under FAME-II scheme, is as under : -

Amount in Rs. Crore

EV category	FY 2022-23	FY 2023-24	FY 2024-25	Category Total
e-2W	1,088.10	2,869.63	536.22	4,493.95
e-3W	128.37	567.21	264.25	959.83
e-4W	51.02	304.17	137.41	492.6
FY Total	1,267.49	3,741.01	937.88	5,946.38

No state-wise allocation has been done under the Scheme, as the demand incentive/subsidy is provided to EV buyers, on pan-India basis.

(b): The year-wise and category-wise, Number of electric vehicles supported (demand incentive provided) under FAME-II during the last three years is as under:-

EV Category	No. of vehicles incentivised under FAME-II Scheme			
	FY 2022-23	FY 2023-24	FY 2024-25	Total
e-2W	2,27,563	8,04,175	2,58,641	12,90,379
e-3W	22,169	76,183	34,436	1,32,788
e-4W	2,200	12,380	5,984	20,564
Total	2,51,932	8,92,738	2,99,061	14,43,731

No state-wise allocation has been done under the Scheme; therefore the data is not centrally maintained.

(c): The Ministry of Heavy Industries (MHI) had received complaints against 17 original equipment manufacturers (OEMs) under FAME-II for non-compliance with Phased Manufacturing Programme (PMP) guidelines.

After examination of reports submitted by testing agencies, six OEMs were found to be in violation of PMP norms. Out of these six OEMs, entire demand incentive along with interest was recovered from three OEMs, while the remaining three OEMs which refused to refund the wrongfully availed incentive to the Government, have been deregistered from FAME-II scheme in FY 2023-24.

Issues are examined OEM-wise. No state-wise data for the issues reported is maintained under FAME-II. The FAME-II scheme has concluded on 31st March, 2024.
