

GOVERNMENT OF INDIA
MINISTRY OF HEAVY INDUSTRIES
RAJYA SABHA
UNSTARRED QUESTION NO. 2326
ANSWERED ON 07.08.2026

ADOPTION OF ELECTRIC VEHICLES IN CHHATTISGARH

2326. SHRI DEVENDRA PRATAP SINGH:

Will the Minister of Heavy Industries be pleased to state:

- (a) the steps taken to accelerate the adoption of electric vehicles in Chhattisgarh under the FAME and PM E-Drive schemes;
- (b) the total number of electric vehicles incentivized and EV charging stations successfully operationalized across major cities and highways in the State;
- (c) whether financial support has been extended to modernize heavy engineering or manufacturing units in Chhattisgarh; and
- (d) if so, the details thereof and its contribution to green mobility?

ANSWER
THE MINISTER OF STATE FOR HEAVY INDUSTRIES
(SHRI BHUPATHIRAJU SRINIVASA VARMA)

(a): MHI has implemented FAME-I, FAME-II and PM E-DRIVE schemes to accelerate adoption of electric vehicles (EVs) on a pan India basis, including in Chhattisgarh.

(i) FAME I scheme: The Phase I of the 'Faster Adoption and Manufacturing of Electric (&Hybrid) Vehicles in India' (FAME India) was implemented by Government of India from 01.04.2015 till 31.03.2019 with an outlay of ₹895 crore.

(ii) Faster Adoption and Manufacturing of (Hybrid &) Electric Vehicles in India Scheme Phase-II (FAME-II): The Government implemented this scheme for a period of five years from 01.04.2019 to 31.03.2024 with a total budgetary support of ₹11,500 crore.

(iii) PM Electric Drive Revolution in Innovative Vehicle Enhancement (PM EDRIVE) Scheme: This scheme with an outlay of ₹10,900 crore has been notified on 29.09.2024. PM E-DRIVE scheme is implemented with effect from 01.04.2024 as Electric Mobility Promotion Scheme 2024 (EMPS-2024) was subsumed in PM E-DRIVE.

(b): Under the FAME-II and PM E-DRIVE Scheme no state-wise allocation has been done. However, data of EVs incentivised under both the schemes as on 22.07.2026 is as under : -

Scheme	FAME-I (supported)	FAME-II Scheme (incentivised)	PM E-DRIVE Scheme (incentivised)
No. of EVs Incentivised	4,823	37,259	55,489

Under FAME-II, 165 no. of EV public charging stations (EV PCS) have been installed by oil marketing companies (OMCs) in Chhattisgarh of which 152 nos. EVPCS have been energized/ made operational. City/ district-wise details are in Annexure.

(c) & (d): FAME-II and PM E-DRIVE schemes are primarily demand side schemes and there is no direct support for modernization of heavy engineering or setting up of manufacturing units including in Chhattisgarh under these two schemes

District-wise City-wise details of EV Public Charging Stations installed and operational under FAME-II Scheme in Chhattisgarh
